Families Supporting Loved Ones Meeting

Many of us are supporting our loved ones who are survivors of sexual abuse. Often we do not know how to help them through the pain and we do not know how to help ourselves either. You are not alone. Families of victims are survivors too. We need to learn coping tools and what our triggers are. We need to learn how to heal ourselves and how to help our loved ones and our family. We need to learn to let go of the guilt, shame and overwhelm. We are here to help you come forward and listen, share and learn ways others are coping and healing. Meetings are held 2nd Wednesday of every month at 6:00-7:30pm Pacific Time. All participants must be interviewed by the moderator prior to participation in the group. Virtual log-in information is not publicly available . The group is facilitated by SNAP leader Barbi Jolliffe. Please contact Barbi for details of how to access this meeting.
