**ONE STOP CRISIS CENTRES**  
A One Stop Crisis Centre or (OSCC) is a clinic set up in almost every hospital in Malaysia. The OSCC consists of government agencies and non government agencies who work together to assist survivors and victims of abuse and violence under one roof. The agencies will be police legal representation, social welfare medical care and a support agency. together they will fight against any form of violence such as rape, child abuse or domestic violence. Please visit the website listed to find your nearest OSCC participating hospital.

women in 1982. We offer **Shelter**,  
telephone counselling and face to  
face counselling for hundreds of  
women every year. The telephone  
counselling is available to deal with  
domestic violence, rape, incest,  
child sexual abuse and basic legal  
queries. Professional social workers  
offer counselling sessions to  
women who may not necessarily  
seek shelter.

<b>Thailand</b> Bangkok	<b>Advice Line 02-412-1196</b> At CPCR we began the Children's Advocacy Center in 1981 with the purpose of promoting children's rights under the UN Convention of the Rights of the Child. CPCR runs 3 rehabilitation homes as well as the center from children and young people rescued from abuse, violence and trafficking. In the homes and at the center our staff employ a multi-disciplinary approach to addressing the needs of exploited and abused children. CPCR is divided into four sections. The Prevention team, the Protection team, if abuse has occurred the protection team then moves the child to the Assessment Units Gate House. If necessary they can then move to one of our <b>rehabilitation shelters</b> .
