1996. We have a "First Step" centre for victims and survivors to meet and access emotional and practical support. We offer one-to-one work, both face to face and via the telephone, we also have a variety of groups offering varied support - from the Freedom Program to holistic therapies.

We run a purpose built refuge for women and their children who are fleeing domestic abuse. This is staffed 24/7, providing a safe and secure environment.

Our Independent Domestic and Sexual Violence Advocates work with women offering support before, during and after the court process. They can accompany them to hearings and legal appointments and offer practical advice and safety planning.
