Arlington Abuse Survivors Meetup  
Healing from any type of abuse is  
hard. But it is not necessary to heal  
alone. If you are willing to share,  
there is power and freedom in  
telling your truth. Support yourself  
as a healing survivor and maybe  
someone else with similar  
experiences.

DR Eliana Gil is the founder of the Gil Institute for Trauma Recovery and Education, where she provides therapy, consulting, supervision and training. All Gil Institute therapists advocate for developmentally appropriate services to children youth and adults and utilize the expressive therapies (art, play, sand) to provide alternate forms of communication and expression so the child feels safe. The Gil Institute offers several treatment options, including individual, group, couples, family and parent-child therapy. We work with children as young as three and adults of all ages. We run a HEARTS project Hope through Equine Assisted Recovery and Therapy Services healing with horses. All services are in English, Spanish and Farsi. For more information on our many services, groups and therapies, please see our website.

Women 4 Women - Meetup Group  
The thing women have yet to learn is nobody gives you power. You just take it. "Roseanne Barr". Ours is a wellness support group for emotionally abused women, who have gone through, are going through or are about to go through emotional abuse. I was emotionally abused for almost four decades but found MY POWER and just took it. We are our own rescue, but why walk alone when you have a tribe to journey with. You are not alone.
